

# Bucket Fan EC 1600

Bucket Fan EC - an effective solution in any commercial, educational, government, or industrial building of 15 feet to over 45 feet. EC motors offer smooth 0-100% speed adjustment and seamless integration into automated sensor systems.

- Impeller type: Axial
- Casing material: Coated steel

	Unit of measurement	Bucket Fan EC 1600
Minimum supply voltage	V	120
Maximum supply voltage	V	120
Power supply frequency	Hz	60
Rated power	W	180
Maximum unit current	A	2.6
Max Rated Airflow: CFM @ 0.1 in. w.g.	CFM	1600
Rotation speed at 60hz	-	1600
Weight	lb	26.5

## Dimensions

A	B	B1	C	D	E
27 3/4"	23 7/16"	24 3/16"	19 3/8"	17 3/8"	14 3/8"
