

## CBF LP 110 DC

The CBF LP DC fan is equipped with a highperformance DC motor with outstanding energy efficiency and built-in overheating protection.

• Motor type: DC

	Unit of measurement	CBF LP 110 DC			
Connected air duct size	in	4"	6"		
Speed	-	1			
Minimum supply voltage	V	120			
Maximum supply voltage	V	120			
Power supply frequency	Hz	60			
Rated power	W	17			
Maximum unit current	А	0.3			
Maximum performance @0.1"	CFM	110			

## **Dimensions**
