

# KSV 200 G4

Sound-insulated centrifugal fans with filters. Designed for integration into supply and exhaust, ventilation systems requiring high cleaning of intake air, low-noise operation and limited mounting space

- Motor type: AC
- Impeller type: Centrifugal backward curved blades
- Casing material: Coated steel
- Installation in any position

|                           | Unit of measurement | KSV 200 G4 |
|---------------------------|---------------------|------------|
| Connected air duct size   | in                  | 8"         |
| Speed                     | -                   | 1          |
| Phases                    | -                   | 1          |
| Minimum supply voltage    | V                   | 230        |
| Maximum supply voltage    | V                   | 230        |
| Power supply frequency    | Hz                  | 50/60      |
| Rated power               | W                   | 123        |
| Maximum unit current      | A                   | 0.56       |
| Maximum performance @0.1" | CFM                 | 341        |
| Ingress protection rating | -                   | IPX4       |
