

VKM 250 EC

VENTS VKM EC inline centrifugal duct fans are designed for residential and commercial ventilation applications

- Motor type: EC
- Impeller type: Centrifugal backward curved blades
- Casing material: Coated steel
- Installation in any position

	Unit of measurement	VKM 250 EC
Connected air duct size	in	10"
Speed	-	1
Minimum supply voltage	V	120
Maximum supply voltage	V	120
Power supply frequency	Hz	60
Rated power	W	133.6
Maximum unit current	A	1.89
